Foreword	xxvii
Preface	xxxi
Introduction	XXXV
Chapter 1: Understanding ESG: Factors, Foundations, and Differentiators.....	1
1.1 Evolution of ESG.....	3
1.2 Description of ESG Factors	5
1.3 Corporate Sustainability Movement.....	7
Milestones in Corporate Sustainability.....	8
1.4 Emergence of Corporate Social Responsibility	11
Role of CSR in Shaping Corporate Behavior	12
Impact of Corporate Social Responsibility on Businesses.....	13
1.5 Untangling the Terminology: ESG, CSR, and Sustainability	14
Intersection of ESG and CSR.....	15
Overlap of ESG and Sustainability	16

TABLE OF CONTENTS

ESG, CSR, and Sustainability: Complementary Approaches	16
1.6 Business Case for ESG: Long-Term Value Creation	17
 ESG is Sound Business Strategy	21
Chapter 2: The Current ESG Outlook	25
 2.1 Recent and Heightened Focus on ESG.....	25
 2.2 Relevance of ESG Initiatives in the Current Business Climate	27
 Influence of ESG on Business Planning	28
 Market and Economic Impacts of ESG	29
 Growing Attention and Expectations from Stakeholders	31
 2.3 Evolving Legal and Regulatory Landscape	33
 Ripple Effects of a Regulatory Vacuum for Businesses	34
 Business Preparation for Regulatory Requirements.....	35
 2.4 Coalescing of the Standards Framework.....	38
 Global Push for Standardized ESG Reporting	38
 2.5 Collision Course on Climate	39
 2.6 Demands for Transparency and Data Integrity.....	43
Chapter 3: The International Legal and Policy Foundations of ESG	47
 3.1 Business and Human Rights	48
 Fundamentals of Human Rights	48
 Origins of International Human Rights Law.....	48
 Human Rights Laws and Business Practices	55
 3.2 Climate and Natural Resources.....	57
 Guiding Principles of International Environmental Law.....	57
 Emergence of International Cooperation	57
 3.3 Sustainable Development	58
 Brundtland Commission (1983)	58
 Brundtland Report: Our Common Future (1987)	58

TABLE OF CONTENTS

Defining Sustainability and Sustainable Development.....	59
Impact and the Origins of Sustainability.....	59
3.4 Key Global Treaties, Agreements, and Summits.....	60
Stockholm Conference (1972)	60
The Rio Earth Summit: A Pioneering Conference on Environment and Development (1992)	61
United Nations Convention on the Law of the Sea (1994) and High Seas Treaty (2023).....	70
Kyoto Protocol (1997)	74
Paris Agreement (2015)	77
COP28 in Dubai (2023).....	80
3.5 United Nations Sustainable Development Goals (SDGs)	85
Introduction to the Sustainable Development Goals.....	85
Key Terms and Concepts	87
The Seventeen SDGs	87
Progress Toward Targets	89
3.6 ESG Integration with the International Principles and SDGs.....	90
Investor Criteria	90
Key Insights for ESG Integration.....	93
Challenges in Achieving the SDGs	96
Chapter 4: A Deep Dive into the “E” in ESG	97
4.1 Global Tipping Point	99
4.2 World Economic Forum (WEF) Global Risks Report.....	100
Global Risks Report 2024	101
Top Global Risks 2024	102
Global Risks Report 2023	104
Top Global Risks 2023	106
Takeaways from the Past Two Annual Global Risks Reports	107

TABLE OF CONTENTS

4.3 Climate Policy and the Intergovernmental Panel on Climate Change (IPCC)	108
Structure and Organization of the IPCC	109
Reporting Cycles.....	110
Influence on Climate Policy	111
4.4 Greenhouse Gases (GHGs).....	112
List of Greenhouse Gases	113
Primary Sources and Impacts of Greenhouse Gases.....	115
Regulation of Greenhouse Gases.....	117
4.5 Top Greenhouse Gas (GHG)-Emitting Sectors and Countries.....	117
Major Contributing Sectors.....	118
Top Emitting Countries	120
Emissions Data Analysis Informs GHG Reduction Approaches	121
4.6 Carbon Markets.....	123
Understanding Carbon Markets: Compliance Market and Voluntary Market Models.....	123
Development of Global and Regional Carbon Markets	124
Challenges Facing Expansion of Carbon Markets	127
4.7 Pollution and Waste	129
Sustainability Trends in Packaging.....	130
4.8 Biodiversity and Natural Capital Depletion.....	131
Defining Biodiversity.....	131
Current State of Biodiversity and Natural Capital	132
Expansion of Natural Capital and Biodiversity Funds	135
4.9 Responsible Sourcing	139
Establishing a Responsible Sourcing Strategy	139
4.10 Water Use and Stewardship.....	141
Water Stewardship as a Business Imperative	142

TABLE OF CONTENTS

4.11 Circular Economy	144
Environmental Justice	147
Future of the Circular Economy	148
Chapter 5: A Deep Dive into the “S” in ESG	151
5.1 Social Factors and Their Impacts.....	151
5.2 Human Capital and Employee Welfare	153
Evolution of Human Capital Management in the Era of ESG.....	153
5.3 Diversity, Equity, and Inclusion.....	155
Gender Pay Gap	159
5.4 Gender Equality and Equity	160
5.5 Human Rights and Labor Practices.....	163
5.6 Supply Chain Transparency.....	165
Maintaining a Transparent Supply Chain	167
5.7 Consumer Protection, Product Safety, and Quality.....	168
5.8 Philanthropy, Responsibility, and Volunteering.....	170
5.9 Community Relations	173
Chapter 6: A Deep Dive into the “G” in ESG	177
6.1 Governance Factors and Their Impacts.....	177
6.2 Transparent and Accountable Governance Practices	180
6.3 Management Responsibilities and Transparency.....	183
Executive Compensation	184
6.4 Board Duties and Oversight	187
6.5 Board Composition and Capabilities	189
Board Diversity	191
Board Committee Structure.....	193
Board Performance	197

TABLE OF CONTENTS

6.6 Business Ethics and Values.....	198
6.7 Compliance, Risk, and Audit.....	200
6.8 Stakeholder Engagement.....	202
6.9 Shareholder Activism, Proxy Voting, and Asset Management	204
6.10 Greenwashing	208
Chapter 7: The Global ESG Regulatory Paradigm.....	213
7.1 Development of the ESG Regulatory Environment	213
Building Upon Existing Environmental, Social, and Governance Regulations.....	215
ESG Taxonomy	220
7.2 Key Global Regulatory Initiatives	223
Comprehensive Sustainability Regulation in the European Union.....	231
Sustainability Disclosure Requirements in the United Kingdom	245
Stock Exchange and Securities Rules Requiring Sustainability Disclosures	249
Climate-Focused Regulation, Legislation, Exchange Rules, and Tariffs	251
Executive Compensation	270
Human Capital Management	271
Supply Chain and Human Rights Regulation	274
Circular Economy and Greenwashing Regulation.....	276
Government and Stock Exchange Board Diversity Rules	282
Regulatory Efforts to Address the Gender Pay Gap	288
Regulatory and Legislative Actions on Antitrust.....	290
7.3 Distinguishing Regulation, Legislation, and Executive Action	292
7.4 Concept of Materiality.....	293
Financial Materiality	293
Non-financial Materiality and Double Materiality	294

TABLE OF CONTENTS

7.5 Disclosure and Reporting Models	295
7.6 Rise of Enforcement, Litigation, and Shareholder Challenges	297
Regulatory Enforcement.....	297
Climate Litigation.....	301
Greenwashing Litigation.....	304
Shareholder Litigation	306
7.7 Navigating Regulations and Emerging ESG Risk.....	308
Chapter 8: The ESG Standards and Frameworks	311
8.1 Progression of Standards and Frameworks.....	311
8.2 Examination of Key Standards and Frameworks	317
International Sustainability Standards Board (ISSB)	317
ISSB's Inaugural Standards: IFRS S1 and IFRS S2	318
Global Reporting Initiative (GRI).....	322
CDP (Formerly Carbon Disclosure Project)	323
Taskforce on Nature-Related Financial Disclosures (TNFD)	324
8.3 Carbon Accounting and the GHG Protocol	327
Carbon Accounting	327
Greenhouse Gas (GHG) Protocol	328
8.4 Incorporation of Standards into Legislation and Regulation	329
8.5 Implications for Compliance and Risk Management.....	330
Chapter 9: The ESG Ratings Providers and Indices	333
9.1 Role of ESG Ratings	333
9.2 ESG Ratings Providers	336
9.3 ESG Indices and Relevancy in the Market.....	339
9.4 Criticism of Ratings Providers.....	340
9.5 Potential Regulation and Oversight of Ratings Providers.....	342

TABLE OF CONTENTS

Chapter 10: The Role of the Corporation.....	349
10.1 Focus on Emerging ESG Trends and Risks.....	349
10.2 Fiduciary Duties and ESG.....	351
Fundamentals of the Fiduciary Duties.....	351
Duty of Care.....	352
Duty of Loyalty.....	352
Duty of Good Faith	353
Business Judgment Rule	353
Fiduciary Duties and ESG Application.....	354
10.3 Rise of Corporate Purpose and the Aligned Corporation.....	354
10.4 Alternative Corporate Structures.....	356
Public Benefit Corporations (PBCs).....	356
Distinguishing PBCs from B Corps.....	358
10.5 Stakeholder Engagement.....	361
10.6 ESG Strategy, Program Development, and Reporting.....	362
10.7 ESG in Mergers and Acquisitions	367
10.8 Creating Green Jobs and Reskilling the Workforce.....	368
Leading Sustainability Within the Corporation.....	370
10.9 Continuous Innovation.....	372
Blue Ocean Strategy	373
Blue Ocean Economy.....	374
Chapter 11: The Role of the Financial Sector	379
11.1 Rise in ESG-Aligned Investing.....	379
11.2 Growth in Sustainable Finance	380
11.3 Managing Climate Risk as a Strategic Priority.....	384
11.4 Advancing the New Economy and the Clean Energy Transition	385

TABLE OF CONTENTS

Chapter 12: The Role of International Bodies and UN Programs	391
12.1 Driving International Agreement	392
12.2 Integration of the UN Principles for Responsible Investment (PRI)	393
12.3 Business Engagement with the UN Global Compact (Global Compact)....	396
12.4 United Nations Environment Assembly (UNEA) and Multilateralism	397
12.5 Group of 7 (G7) and Group of 20 (G20) Weathervanes	398
G7 and Global Sustainability.....	399
G20 and the Green Growth Agenda	401
12.6 Global Reach of the Organisation for Economic Co-operation and Development (OECD).....	402
12.7 International Union for Conservation of Nature (IUCN): A Convening of Governments and Civil Society	406
12.8 International Organization of Securities Commissions Oversight (IOSCO)....	408
Chapter 13: The Role of Business Interest Groups	411
13.1 Convening the World Economic Forum (WEF)	411
13.2 World Business Council for Sustainable Development (WBCSD) and the SDGs	413
13.3 Business for Social Responsibility (BSR) as an Early Mover.....	414
13.4 Business Roundtable (BRT) and the “Statement on the Purpose of a Corporation”	415
13.5 The Ceres Influence	416
13.6 We Mean Business Coalition and Climate Action	418
13.7 State of Play for Trade Associations and Business Groups	419
Chapter 14: The Role of NGOs and Third-Party Mechanisms.....	423
14.1 Multipurpose Role of the Nongovernmental Organization (NGO)	423
14.2 Leading the Way on Science-Based Targets	426
14.3 Organizational Advocacy Platforms.....	429
14.4 Independent Role of Certifying Organizations.....	430

TABLE OF CONTENTS

Chapter 15: The Role of the Philanthropic Sector.....	437
15.1 Philanthropic Impact and Influence	437
15.2 Mission Shift to Achieve Impact.....	438
15.3 Increased Level of Funding and Grants Activity	440
15.4 Innovative Financing Vehicles	442
15.5 Private Foundations Making their Mark in Climate Philanthropy.....	448
15.6 Public Charities Programming for Impact and Alignment with the SDGs	451
Chapter 16: The Pathways to Decarbonizing Key Sectors.....	453
16.1 Decarbonizing the Energy Sector.....	455
Decarbonization Challenges and Potential Solutions	457
Role of Innovation and Technology	459
16.2 Decarbonizing the Transportation Sector.....	460
Road Transportation: Advancing Technology	460
Aviation and Maritime Transport: Energy Density Matters.....	463
Road Ahead	464
16.3 Decarbonizing the Agricultural Sector	465
GHG Emissions in Agriculture	466
Pathways to Decarbonization	467
16.4 Decarbonizing the General Manufacturing Sector	469
Challenges to Decarbonization	470
Pathways to Decarbonization	471
16.5 Decarbonizing the Building Industry	472
Green Buildings and Sustainable Urban Planning	473
Continuous Innovation in Green Design and ESG Business Strategy.....	476
Challenges to and the Future of Decarbonization in the Building Sector	477

TABLE OF CONTENTS

16.6 Decarbonizing the Fashion Industry	477
Raw Material Production and Processing.....	478
Manufacturing and Distribution.....	479
Consumer Use and Disposal.....	479
Challenges in Decarbonizing the Fashion Sector	479
Key Steps to Decarbonize the Fashion Sector.....	481
Index.....	485
