- 10.1 The extent of unemployment 87
- 10.2 The duration of unemployment 87

- 10.3 Differences in unemployment  
between groups 88
- 10.4 Unemployment by region 89
- 10.5 The causes of unemployment 90
- 10.6 The implications of unemployment  
for society 90
- 10.7 The experience of unemployment 90
- 10.8 Summary 92
- 10.9 Keywords 92

**11 Leisure 92**

- 11.1 Defining leisure 92
- 11.2 The growth of leisure 93
- 11.3 Factors affecting leisure activities 93
- 11.4 The future of leisure 94
- 11.5 Social implications of retirement 94
- 11.6 Summary 95
- 11.7 Keywords 95

**12 Population 95**

- 12.1 Collecting information 95
- 12.2 The importance of demography 96
- 12.3 Population size 96
- 12.4 Changes in migration 99
- 12.5 The gender balance 100
- 12.6 Changes in population 100
- 12.7 Consequences of population  
changes 101
- 12.8 Changes in the distribution of  
population in Britain 102
- 12.9 Changes in the world population 103
- 12.10 Summary 103
- 12.11 Keywords 104

**13 Urbanization and community 104**

- 13.1 Urbanization and industrialization 104
- 13.2 Community and association 105
- 13.3 Housing zones 106
- 13.4 Patterns of life 107
- 13.5 Summary 109
- 13.6 Keywords 110

**14 Poverty 110**

- 14.1 Defining poverty 110
- 14.2 Absolute poverty 110
- 14.3 Relative poverty 110
- 14.4 The significance of definitions  
of poverty 111
- 14.5 The poverty line 112
- 14.6 Research on poverty: a summary 112
